НИТО ПОВЕЧЕ,
НИТО ПО-МАЛКО...

17" ProLite E430T-S, TV tuner

1045.00* ЛВ.

- 17" TN Wide Angle TFT Screen, integrated TV tuner;
- Brightness: 300 cd/m²; Contrast ratio: 450:1;
- Pixel Responce Time: 16 msec;
- Pixel Step: 0.264 mm; 135 MHz video bandwidth;
- Resolution: 1280 x 1024 @ 75 Hz;
- Viewing angles: 140° / 120° (horiz./vert.);
- Extras: TV Remote Control, Silver Cover, Kensington Lock,
- Stereo Speakers, sRGB, Gama correction, Teletext

19" ProLite C480T, TV tuner

2220.00* ЛВ.

- 19" Fujitsu MVA TFT panel with integrated TV-tuner;
- Brightness: 430 cd/m²; Contrast: 600:1;
- Pixel Responce Time: 16 msec; Pixel Step: 0.294 mm;
- Input Signal: DVI-I digital interface;
- Maximal Resolution: 1280 x 1024 @ 75 Hz;
- Viewing angles: 170° / 170° (horiz./vert.);
- Extras: High-quality Stereo Speakers; Silver-Black Cover, Kensington Lock,
- sRGB, Gamma correction; Eco Mode, TV remote control, Teletext

* Препоръчителна цена за крайни клиенти без ДДС.

КОМЕЛ СОФТ МУЛТИМЕДИЯ, УЛ. "Л. КОШУТ" 51, ТЕЛ. 915-69-15; 915-69-20; ФАКС: 915-69-16

Използвайте пълния потенциал на Вашата мрежа с high-end комутаторите на LINKSYS! Устройствата са проектирани за натоварена работа с максимална надеждност, високи скорости на предаване, и възможности за разширение. Ако търсите най-съвременните технологии - това са устройствата, които Ви трябва!

Гаранционни срокове от 2004 г. :

3 год. за Wireless-G устройства

2 год. за всички останали устройства

EF-1324: EtherFast Layer 3, 24-port Switch

- Layer 3 Switch with SNMP manageability;
- 24x 10/100 Mbps And 2x 10/100/1000Mbps ports;
- Manageable via Console, Web Browser, Telnet, SNMP/RMON;
- 802.1q VLAN support, 802.1p traffic prioritization;
- Connects different subnets without a need for a router;
- Provides 9.6 Gbps non-blocking switching performance;
- Learning: 32 K for MAC addresses, 64 K for IP addresses

PC-2224: ProConnect II Layer 2, 24-port Switch

- 19" Rack-Mount Layer 2 EtherFast Switch;
- 24x 10/100 Mbps Auto MDI/MDI-X ports;
- 2x 1000Mbps Gigabit Expansion Slots;
- Manageable via Console, Web Browser, Telnet, SNMP/RMON;
- Stacking Support for up to 8 Switches;
- 802.1q VLAN support, 802.1p traffic prioritization;
- Three Port Trunking Groups eliminating any bottlenecks
